Keynote

Kent Wise combines his spiritual and professional background to make him one of the most qualified keynote speakers and workshop leaders for your conference, church and convention. Born in the public-housing projects in Cleveland, Ohio, as a child, Kent suffered from a speech impediment and was labeled a slow learner. He used success principles to overcome those adversities and went on to receive a Bachelor of Science degree in Advertising from Kent State University. He later spent 12 successful years in corporate America as a Market Manager and Sales Trainer. Following his passion to help others achieve their dreams, Kent later became the founder of Kent Wise Enterprises.
